**SUMMARY OF THE REASONS FOR DECISION:**

The magazine entitled *Hawk September 2000* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The primary focus of the magazine is the sexualised depiction and description of women, with an emphasis on young women said to be "just 18". The magazine is intended for an adult male readership with its primary purpose being the sexual arousal of the reader.

Consideration has been given to the relevant provisions of the New Zealand Bill of Rights Act 1990 as they relate to this publication. Given the manner in which the publication deals with matters of sex, and the purpose for which it is intended to be used, the restriction on the availability of the publication is considered to be reasonable and demonstrably justifiable.
